

# **Workshop on Data Protection**

Copenhagen IT University, 19 October 2004

**Jan Trzaskowski**

Copenhagen Business School

# Data Protection Directive (95/46)

What is the purpose of the directive?

What is 'processing' and 'personal data' respectively?

What requires lawful processing of personal data (articles 5 to 9)?

What are the information requirements in articles 10 and 11, and how can they be complied with in mobile commerce?

# Directive on Privacy and Electronic Communication

What is the purpose of the directive?

Describe the main terms (article 2) and the services concerned (article 3)?

Describe the rules on security and confidentiality (articles 4 to 6)

Describe the rules on location data (article 9)

Describe the rules on unsolicited communication (article 13)

# Art. 29 Data Protection Working Group Opinion 5/2004

What is the art 29 working group (see directive 95/46, articles 29 and 30)?

What is the scope of the opinion?

Provide a summary of the opinion

# Thank you for your attention!
